On 23/1/19 at 0251 hours an alarm was received from Waterfalls. Safeguard static guard had seen intruders trying to siphon fuel and he activated his whistle for help. Neighbours woke up and effected a citizen arrest on one suspect who endured the wrath of the public before being surrendered at Waterfalls Police Station. Reaction team recovered a 210 litres container plus 4 X 20 litre containers which were all confiscated by Waterfalls police as exhibit.

On 25/1/19 at 02:23 hours an alarm signal was received from Mount Pleasant. Intruders assaulted the guard on duty and gained access by smashing the glass window. **They fled with a flat screen TV when the alarm sounded.** Case reported to Marlborough Police Station.

## **MIDLANDS PROVINCE**

### **Gweru**

On 12/01/19, an unknown number of intruders broke into the house located in the low density suburb of Daylesford and assaulted family members demanding cash. These intruders demanded cash from the family, but failed to find any. **The house has both indoor and outdoor alarm system which was not armed at the time of the incident.**

On 29/01/19 in broad day light, intruders broke into the house located in the low density suburb of Northlea in Gweru and stole an undisclosed amount of cash while the occupant was at work. **The house has no alarm system for intruder detection.**

On the night of 30/01/19, intruders broke into one property located in Northlea and attempted to remove a spare wheel from a vehicle parked on the car park. **The alarm triggered and the intruders ran away.**

## **MUTARE**

On 5/01/19 at 07:24 hours in the residential area we received a phone call from a residential property reporting a break in and theft. We attended and noted that the intruders gained entrance into the premises by breaking two dura wall panels. They gained access into the house through a window which was not closed. Some electrical goods were reported stolen. **Investigations established that the alarm system was not armed** when the break in occurred. The case was reported to Mutare Central Police.

On the 07/01/19 in the industrial area we received a phone call from a private security guard at an industrial property reporting breaking and theft. We attended and noted the criminals entered the premises by breaking two panels of the dura wall and cutting six strands of electric wire. **The break in and theft occurred when there was no electricity**. 5 x12 volt batteries were reported stolen. **The internal guard responsible for arming the alarm system advised that he forgot to arm the alarm system**. The case was reported to Mutare Central Police.

On the 20/01/19 at 07:50 hours in the cbd we received a phone call from a retail client advising that there was break in and theft at his shop. We attended and noticed that the criminals broke one of the window pane and fished out goods worth \$195.00 through the broken window. The alarm did not activate. The case was reported to Mutare Central Police.
