About **SAFEGUARD**

Formed in 1972 Safeguard was started as a manned guarding company, with a vision to provide a full range of security services throughout the country. Over the years, and through a process of organic growth and acquisition, the group has expanded to become the leading provider of security in the country with a diverse local shareholding.

It consists of four main companies in the form of **Safeguard Security, Alarms, Engineering, and Investigations**. These companies have branches throughout the country.

Customer service is at the core of our business- our training, supervision and management, and ability to provide a range of security solutions and support in each branch, completely sets us apart from our competitors.

Our skills and services cover the broad spectrum of business and home security. and we have amongst our customers countrywide banks that include :First Capital Bank, Nedbank Bank, Stanbic Bank, NMB Bank, Eco Bank, CBZ Bank; ZB Bank retail Groups, that include OK Bazaars, Bon Marche, Pick & Pay, Food Lovers Edgars ;mining groups including Mimosa Mining, Unki Mine Ashyre Mine and Todal Mine; the embassies include the United States of America ,British Embassy, Netherlands, Australian Embassy, Switzerland, Canadian, Ghanaian , Brazilian, Canadian, Swedish , Nigerian , Chinese, and Italian Embassies NGO's including European Union, ACBF ,World Vision, PSI Zimbabwe, World Education, Care Zimbabwe, Save The Children, Mercy Corps, Friendship Bench FAO, ILO, IMF,IOM, UN Women, UNDP, UNESCO, UNIC, UNHCR, UNOPS, WFP, World Bank; Catholic Relief Services to name but a few!

In addition, we have over 10 000 homes protected by electronic and physical security systems, supported by the largest and most efficient rapid response service in the country.

We are founder members of the Security Association of Zimbabwe, and are involved with leading brand suppliers in the electronics and protection industry.

We have a registered training school for our security staff and train locally and internationally with suppliers to ensure that we remain at the forefront of the industry in Zimbabwe.

We have an international service quality rating, and are certified to **ZWS ISO 9001: 2015** (Quality Management Systems), **ZWS OHSAS 18001:2007** (Occupational Health & Safety Management Systems) and **ZWS ISO 14001:2004** (Environmental Management Systems).
